I am sending you the prayer topics of ACEPEM (the Evangelical Christian Association for the Promotion of Education in Mali). The whole team is doing well, and the number of Christian schools is increasing.

- Pray for the resumption of classes, scheduled for November 1, 2021, threatened by a strike notice from public school teachers.
- As Christian schools multiply in Mali, please pray for a good coordination of the activities of the Association and for an effective action of ACEPEM with them.
- Pray for God's guidance in the General Assembly of ACEPEM to be held on November 13 in Bamako, and for the election of women and men according to God's heart in the new board that will be put in place.

- God grant all the wisdom to the leaders of the AEEG zone offices to work in the authentic vision of the CE.
